Postal Regulatory Commission:

I am making an appeal to the Commission to save our Amoret Post Office.  
It is my understanding that when a post office is closed, that that city cannot successfully obtain a Federal Grant.

As City Clerk of Amoret for the past 36 years, I have seen the need for Federal Grants.  
In 1999 we received a Grant to get our water lines ran from the Bates #2 water District.  
Again in 2004 we received a Grant to build the City's Sewer System.

Last year there was notification that we may have to add a sanitation system at the lagoon site. If this happens, we will have to have a full Grant as our funds are not sufficient to build this.

Please take our appeals into consideration.

Sincerely

Jane Hettinger  
City Clerk
